LORAIN BOWLING ASSOCIATION
222 Indiana Avenue
Lorain, Ohio

The Above named officers of the Executive Committee of the Lorain Bowling Association would like to take this opportunity to wish all the bowlers, Proprietors, and Managers of all bowling lanes the best of luck and good bowling for the coming season.

Lorain, Ohio
July 1957

Fellow Bowlers:

At this time I would like to express my sincere appreciation to you, as members of the Lorain Bowling Association, for the confidence you placed in me the last three years. It indeed has been a pleasure, as President of the L.B.A., to have been able to work with all the fine officers of this Association, and to my Committees, a heartfelt thanks.

To thank each of you individually would take too much time and space, so I am using this means for that purpose. I hope during my terms in office that I have made many friends, and to those I may have hurt my apologies.

To the newly elected officers of the Association may I offer my congratulations and hope you have the same fine cooperation which was given to your Board of Directors in the past.

Wishing all of you enjoyable bowling, high scores and best of luck, I close.

Yours In Bowling

R. N. Osgood.

R.N. Osgood

To All League Secretaries and Bowlers
of the Lorain Bowling Association:

This annual average book of the Lorain Bowling Association for the season of 1956-57 contains 3638 names of sanctioned bowlers who bowled 21 games or more. There may be a few names that have been duplicated, due to the fact that some league Secretaries did not have the average cards properly filled out with bowlers full name or correct address and they did not correspond with the sanction cards.

There were 86 sanctioned leagues with a total of 804 teams this season, an increase of 14 leagues and 134 teams over the past season. In addition there are 4 sanctioned summer leagues composed of 68 teams.

A total of 5192 average cards were checked for individual sanction and out of this number 39 were not sanctioned, these names being listed on another page. All league Secretaries should make a check in mid-year, making sure all their bowlers are sanctioned. It is an A.B.C. rule that teams who use bowlers who are not sanctioned shall forfeit all games won.

✓ On March 8, 1957, Louis Facsko bowled a perfect "300" game while bowling in the C.I.O. Open league on the Croatian Club Lanes. Mr Facsko's perfect game is the fifth rolled in Lorain since 1941 when Hank Andorka rolled a "300" game and a 821 series.

✓ On April 1, 1957, while bowling in the C.I.O. Shops league on the Saxon Club Lanes, John Schon Jr. came close to the bowlers dream by bowling a "298" game. This is the highest game ever bowled to date on the Saxon Club Lanes in sanctioned league play.

There were 30 series of "700" or better rolled this season and the honor of rolling the highest goes to John (Whitey) Perritt, who bowled a "781" series in the Avon Lake Classic league on Jan. 23, 1957. Larry Tuma was next with a "755" series in the Avon Lake Jr "A" League on Nov. 30, 1956.

Larry Tuma had the highest average for the season, a 202 for 30 games bowled in the Andorka Classic league. Pete Kallas was second with a 200 average for 75 games bowled in the Saxon "A" league. Hank Andorka was third on the list with a 199 average for 39 games bowled in the V.F.W. league.

I wish to take this opportunity to thank all members of the Executive Committee, all league Secretaries and Bowlers of the Lorain Bowling Association for their fine cooperation this past season, and wish them all Good Luck and Good Bowling.

Respectfully yours,

Joan (Bud) Coburn

, Sec'y-Treas.
