The above named officers of the Executive Committee of the Lorain Bowling Association would like to take this opportunity to wish all the bowlers, Proprietors, and Managers of all bowling lanes the best of luck and good bowling for the coming season.

To All League Secretaries and Bowlers
of the Lorain Bowling Association:

The annual average book of the Lorain Bowling Association for the season of 1957-58 contains the names of 3898 sanctioned bowlers, who bowled 21 games or more during the winter season. There is a possibility a few names have been duplicated in this book. This is due to the fact that some of the average cards did not have correct addresses on them and they could not be checked against the sanction cards on file. These names were printed to be sure no one was omitted.

There were 87 sanctioned leagues, with a total of 854 teams, an increase of one league and 50 more teams than last year. In addition there were 4 sanctioned summer leagues composed of 60 teams.

There was a total of 5696 average cards checked for individual sanctions and out of this number 38 bowlers were found who did not have a sanction card on file. List is printed elsewhere in this book. Team captains should check and be sure all their bowlers are duly sanctioned, as teams who bowl with unsanctioned bowlers forfeit all games won. (A.B.C. rule)

On Dec. 8, 1957, Mr. Yuhas bowled a 298 game while bowling in the Amvets Couples league at the Croatian Club lanes. On April 8, 1958 Ed Ragnoni bowled a perfect game of 300 while bowling in the Commercial League at the Broadway lanes. Charles Nagy and J. (Gib) Ashcraft bowled eleven strikes in a row for a 279 game. Each received an eleven-in-a-row belt buckle and belt from the ABC as their award.

There were eleven 700 series bowled this season. The honor of bowling the highest 3 game series goes to Larry Tuma, who bowled a 723 series in the (AL) Guys & Dolls summer league. He has two other 700 series to his credit as well as an 816 series which he bowled at Twenty Grand Lanes in Cleveland. Gil Chet bowled a 714 series in Inter-City Tournament at Lima.

Larry Tuma has the highest average in the Association, a 203 for 102 games bowled in the Avon Lake Jr "A" league. Al Horkay is second with an average of 199 for 99 games in the Saxon "A" league. Next in line is Alex Black Jr. with a 196 average for 102 games in the Croatian "A" league and Pete Kallas with a 196 average for 54 games in the Croatian "A" league.

The 54th annual Ohio State Bowling Association tournament was held this year in Lorain at Avon Lake Recreation and Rebman Recreation. The tournament was the largest the Ohio State has ever had. There were 846 teams, 1989 sets of doubles, and 3978 singles with 2760 all events and a total prize list of \$39,371.50.

I wish to take this opportunity to thank all members of the Executive Committee, all league Secretaries and bowlers of the Lorain Bowling Association for their fine cooperation this past season and wish them Good Luck and Good Bowling for the new season.

Respectfully yours,
Ivan (Bud) Coburn
Ivan (Bud) Coburn, Sec'y-Treas.

DELINQUENT BOWLERS - 1957-58 SEASON

The following names are those of bowlers who do not have a sanction card in the files to show they have paid their sanction fee for the 1957-58 season. It is the duty of the team captain to check and make sure all his bowlers are sanctioned. A team bowling with an unsanctioned bowler forfeits all games won. It is an ABC rule that all bowlers who bowl in sanctioned leagues must be sanctioned.
