The officers of the Executive Committee of the Lorain Bowling Association would like to take this opportunity to wish all bowlers, proprietors, and managers the best of luck and good bowling for the new season.

TO ALL LEAGUE SECRETARIES AND BOWLERS
OF THE LORAIN BOWLING ASSOCIATION:

Another bowling season has come to a close with the printing of this annual average book of the Lorain Bowling Association.

This year the number of leagues and bowlers showed a slight increase over last season. There were 4,784 sanctioned bowlers, including summer league bowlers. There were 98 winter leagues with 992 teams and 17 summer leagues with 194 teams, making a total of 115 leagues and 1186 teams.

Highest average, 21 games or more for 4,275 bowlers are listed in this book, including a few for whom I am unable to find a card in my files to show they paid their sanction fee. With this small number of bowlers for whom I can find no card on file it shows a great improvement over previous years. This improvement was due to the fine cooperation of league secretaries and team captains.

High scores for which an award is given by A.B.C. were scarce this year. Only one was given and that a belt and buckle from A.B.C. and was presented to William J. Kuhn, a bowler in the Consolidated C League, National Division, at Rebman Recreation. Mr. Kuhn bowled eleven strikes in a row for a 290 game. This game was the highest bowled in any establishment in the Association this season. There were several other bowlers who tried to win an award but failed to do so by being a few pins short of their goal. Harold Ostrander, Ray Beisler and Frank Flasko came the closest with games of 289 each.

Next runner-up bowlers were Alex Black Jr, Al Buckosh and Pete Malinowski who had games of 288 and George Harris of Vermillion a 287 game, just a few pins short.

Jim Sandys, bowling in the Rebman Classic league, has the honor of having bowled the highest three game series of the season, a 733 set which he bowled on Feb. 27, 1961 in league competition. On March 27th he repeated his performance by bowling a 700 set in the Rebman Classic. And while bowling in the Croatian Club Sweepstakes he bowled a 726 series.

Runner-up for high series honor for the season was George Vance who bowls in the Chaszar A league at the Croatian Club lanes. George rolled a 719 series.

Don Ailes, Bowling in the Ford Graveyard league at Lake Erie Lanes in Vermillion, rolled games of 226-245-233 for a 704 series on Oct. 10, 1960. His high series was the first 700 set to be bowled on these lanes.

About a month later George Harris, bowling in the Vermillion Merchants League, on Nov. 8, 1960 had games of 287-213-204 for another 704 series in the same lanes.

Paul Wadatz, a bowler with 157 average was the winner of the trophy which is presented to the bowler who bowls the most pins over his average for nine games in City Tournament. Paul bowled 270 pins over his average to win this trophy which is presented each year to the Association by Sheriff Vernon M. Smith.

Paul Burgdorf, who teamed up with his sponsor, Frank (Bozo) Ursic, won first place money and was presented a trophy for winning in the 2nd Annual Captain-Sponsor tournament, which was held at Avon Lake Recreation. Their combined score with handicap was 1300 pins. This year trophies were given for 1st place only and all prize money was paid out in a prize list. In addition, all participants received a souvenir pen from the Association.

Last season Alex Black Jr. was the second bowler from the top of the highest average bowlers list with a 200 average. This year he is the top bowler of the Association with a 199 average for 105 games. Alex came close a few times to a 300 game and a 700 series but was always shy a few pins to make either. Runner-up for high average honors was Jim Sandys with an average of 198 for 105 games.

A well known businessman and bowler of Lorain was the guest of honor at our annual bowlers banquet. Del Pollock, President of the Employee's Transit Co. was the first President of the Lorain Bowling Association when they became affiliated with the American Bowling Congress and received their charter in 1924. Del served several years as President and has held other offices in the Association. He has been President of the Inter-City Bowling Association for about twenty years and now is retired from that office, altho he is on the Advisory Board. Ed Green, President of the LBA presented Del with an engraved plaque in appreciation for his past service to our Association.

This season a number of bowlers have passed away, one of whom was Harry M. Pember, a former officer of the Lorain Bowling Association. He had held the office of Vice-President for two terms and had been on the Executive Committee for several years. Another office he had held was Secretary of our annual City Tournament and also was Secretary of the Saxon Central C league for a number of years. Harry was well known in bowling circles, loved to bowl and work with the bowlers. He was well liked and will be missed by his many friends in the bowling world.

A new 24 lane bowling establishment is being built on Miller Rd. in Avon Lake to be known as the Aquamarine Lanes. They plan to be open for the 1961-62 season and will be affiliated with the Lorain Bowling Association.

I wish to take this opportunity to thank the Executive Committee members, all league secretaries, bowlers and lane Managers for their fine cooperation and especially the secretaries for turning in the average cards on time so this book could be printed on schedule.

Sincerely,

Ivan (Bud) Coburn

DELINQUENT BOWLERS -

1960-61 SEASON

The names of bowlers listed here are those for whom I have been unable to find a card in my files showing they have paid their sanction fee for the 1960-61 season.

It is the duty of the team captain to check and make sure that all his bowlers are sanctioned. A team bowling with an unsanctioned bowler forfeits all games won.

It is an ABC Rule that all bowlers who bowl in sanctioned leagues must be sanctioned.

The Lorain Bowling Association operates on the individual membership plan. All bowlers who bowl in leagues sanctioned by the LBA must pay \$1.00 sanction fee. Any bowler who holds an ABC sanction card from another association other than Lorain must pay a fee of 50¢ in order to bowl in leagues sanctioned by the LBA.
