GOOD BOWLING AND BEST WISHES TO ALL BOWLERS AND PROPRIETORS
FOR THE NEW SEASON

Fellow Bowlers:

This completes my second term and the third of my life time in the office of the President of the Lorain Bowling Association. It has been my good fortune to have around me during these terms, some very capable people, all members of the Executive Committee, who had done an outstanding job in the promotion of the activities of the association.

During the year the association sponsors three major activities, in addition to the normal or routine functions that it must perform to successfully fulfill its obligations to the bowlers who are members of the Lorain Bowling Association. These activities are, Annual City Handicap Tournament, Captain-Sponsor Tournament and the Annual Bowlers' Banquet. The success of these events is dependent on the support of the bowlers. Let this statement serve as a forward to the following comments.

It has, in most cases, been the practice of an outgoing officer to publicly praise the bowlers for their all-out cooperation. I will try a new approach in this farewell note, and address it to the majority rather than the minority of bowlers and speak of the things that they failed in doing that prevented all-out cooperation.

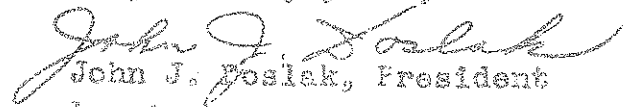

THE ANNUAL CITY TOURNAMENT. Less than 10% of the total city teams were represented in the tournament this past season. This tournament, if given the opportunity, would have the best payoff in the state of Ohio, based on direct ratio of entry fee collected. The bowlers failed in not supporting this LBA subsidized event(the Secretary's report gives the amount of the subsidy). If only 1/3 of the teams in this association would participate, we would consider the event 100% supported.

THE CAPTAIN-SPONSOR TOURNAMENT. This event, this year, was jointly sponsored by the LBA and the LWBA and I must say, with a great deal of embarrassment, that they put us to shame. Without their entry, the LBA participation would have been only 6% of the total eligible. Certainly Captains, your Sponsors must be worth the courtesy of a paid entry in this tournament.

THE ANNUAL BANQUET. We have found that the true fault here lies in the fact that there is an apathy on the part of the secretaries in making an attempt to sell the 2 tickets that are sent to each league. To those who try but can't, we apologize. There are 15 executive officers of the association as compared to over 100 secretaries, still the total tickets sold by the officers more than equaled the total sold by the secretaries. Please make an attempt to improve your participation.

In conclusion let me thank all the bowlers whose face I have seen over and over at all the above mentioned events. Honestly, we the association officers will never get tired of seeing you, and hope that we can continue to count on your support. You may be small in numbers, but your enthusiasm is the back-bone of the organization; it makes us want to continue.

Respectfully yours,

John J. Poslak, President
Lorain Bowling Association

TO ALL LEAGUE SECRETARIES, BOWLERS AND PROPRIETORS OF THE LORAIN BOWLING ASSOCIATION:

This is the 38th annual official average book of the Lorain Bowling Association and contains the names and the highest average of 4,570 bowlers who have bowled 21 or more games in the 1962-63 season.

On the approval of the Board of Directors of the Association at their annual meeting in April of 1962, the individual sanction fee was increased from \$1.00 per member to \$1.50 per member, due to the increased cost set by the American Bowling Congress.

There seems to be some misunderstanding among the bowlers on how this increase in sanction fee is divided, how much goes to ABC and how much is kept in the association. Out of the \$1.50 fee per member, seventy cents (70%) is sent to ABC. The balance of 80% is retained by the association to defray expenses of operating.

The association, out of its share of sanction fees, donated \$797.86 to the City Handicap Tournament and paid out in prizes in addition to the prize money that was paid into the tournament by the bowlers who participated. Also, some new equipment and other necessary items was purchased.

There were 116 winter leagues composed of 1167 teams and 21 summer leagues with 222 teams for total of 137 leagues and 1389 teams.

There were six bowlers in Lorain this season who received an award from the American Bowling Congress for their high games.

Andrew Szalay, bowling in the Slovak Home Jr A league on Oct. 9, 1962 started with eleven strikes in a row and then came in light on the head pin and left up the 5 and 9 pins, finishing out the game with a 298 score.

George B. Kosco, also bowling in the Slovak Home Jr A league, started with eleven strikes and on the twelfth ball, which he claims he didn't see, hit the pocket for a perfect strike, giving him a "300" game. In addition to the trophy which he received from ABC, he was presented with a \$1,000.00 bond by Gus Binder, Sponsor of his team. Bond was given by the Air-Flo Shirt Co. for perfect game while wearing their shirt. At the bowlers banquet he was presented a gold watch by Frank Gavron, lane manager from Slovak Home. Score was bowled on Dec. 18, 1962.

Tim Frederick, bowling in the Saxon Social league at Saxon Club, started with eleven strikes in a row and on the last ball he left the 5 and 8 pins standing, both still wobbling with the 8 pin finally falling, giving him a 299 game.

Jack (Yak) Barilaric, on June 3, 1963, while bowling in the State Bowling Proprietors Companion Singles Tournament in Columbus, Ohio, bowled a perfect "300" game for which he will receive an award from the American Bowling Congress.

Lou Facske, bowling in the Chaszar Contractor A league at Croatian Club lanes on Jan. 17, 1963 left 2 pins standing in the first frame and

TO ALL LEAGUE SECRETARIES, BOWLERS AND
PROPRIETORS OF THE LORAIN BOWLING ASSOCIATION:

then struck out with eleven in a row for a 278 game. He received a belt and buckle award from A.B.C.

Frank Uliano Sr., bowling in the Croatian B league on Jan.30,1963, spared in the first frame and then struck out for a 290 game. He also received the belt and buckle award from A.B.C.

This season we have added one more bowler with an average of 200 or more. Alex Black Sr. finished the season with an average of 201 for 39 games in the Rebman Classic league. He also had a 288 game at Croatian Club lanes in the Chaszar Contractor A league.

As it was last season, Jim Sandys is the top bowler in Lorain again this season, with an average of 207 compiled in the Chaszar Contractor A league. Jim has the highest 3 game total for the year, a 748 series. He also had a 725 series.

Alex Black Jr. finished the season with a 202 average in the Bob Nagy Classic league at Andorka Lanes. He also had three 700 series to his credit, a 713, 703, and a 722 series.

Robert Ksenich and Sam Farsetti almost made the 200 average bracket but failed by a few pins. They both ended up with a 199 average. Bob Ksenich compiled his high average in the Bob Nagy Classic and Sam Farsetti compiled his in the Chaszar Contractor A league.

Joe Sislowski, after 20 years of bowling finally made the grade and bowled a 711 series on Feb.20,1963 in the Croatian B league.

William E.(Bill) Lee, bowling in the Lake Erie Lanes Classic league came close to a 300 game but failed in the final frame. He started with 10 strikes in a row and on the 11th ball he missed the head pin and left up the 1 and 3 pins and in trying to make his spare he chopped off the head pin, left the 3 pin and finished with a 287.

Other bowlers who were a few pins short of the coveted 300 game were, Ray Garcia, Bob Nagy Classic-289, Joseph Dominguez-Andorka Major C-287 and there were numerous games of 270 or better.

In the annual Captain-Sponsor tournament of the Association, which this season was combined with the Lorain Womens Bowling Association, the Championship was won by Lela Nagy and Mike Yurovich with a 1320 handicap score.

The winner of the team handicap championship of the City Tournament was a team sponsored by the Croatian Club. Dan Terpone was the Captain. The team was composed of four 19 year old bowlers and Dan. They bowled an actual score of 279½ and with their handicap had a total of 3201. Tim Frederick, a member of the Championship team was also crowned Champion in the Singles Handicap Event.

In the actual division the winning team was the Mitock-County Auditor team, captained by veteran bowler, Leo Bentley. Bentley, the "Boy Wonder" in his early years of bowling was winner in Actual Singles Division of the tournament.

TO ALL LEAGUE SECRETARIES, BOWLERS AND
PROPRIETORS OF THE LORAIN BOWLING ASSOCIATION:

In the Doubles Event, Charlie Dziak and George (Red) Revta have teamed together for years and bowled in City Tournament, always hoping they would be champion. This season their hopes were fulfilled. They not only won the Actual championship but they won the Handicap division also. Charlie Dziak bowled a 679 series and Geo. Revta a 595 series for 1274 actual and coupled with a 103 pin handicap they amassed a total of 1377 pins in the handicap division.

In the Actual All Events division, Steve Mihok won the title as champion with a 9 game total of 1888 pins. He finished up the season with an average of 198 for 69 games in the Chaszar Contractor A league.

Frank Perry, who finished the season with an average of 198 in the Lake Erie Lanes Classic league for 108 games was the winner in the Handicap All Events, with a score of 2030.

A 159 average bowler last year was the winner of the annual trophy presented by Sheriff Vernon Smith. Tony Sackett bowled 308 pins over his average to win this award.

In the past the Proprietors of the bowling lanes affiliated with the Lorain Bowling Association belonged to a BPAA known as the North Central Ohio Bowling Proprietors Association. On Jan. 1, 1963 they dropped out of this organization and formed one of their own that is known as the North Shore Ohio Bowling Proprietors Association. They sponsor the annual Tournament of Champions tournament, which was held at Andorka Lanes this year, as well as the annual Secretaries Tournament which will be held some time in October of this year. These tournaments will be held each year in the lanes belonging to this new association, including the lanes in the L.B.A. The cities and lanes affiliated with this new organization are: Jolly Lanes, Bellevue-Norwalk Lanes, Norwalk-Bay Lanes, Bay Village-Huron Recreation, Huron-Vacation Lanes, Port Clinton-Bonnie Lanes, Sandusky and Cedar Lanes, Sandusky.

Many thanks to the Executive Committee of the Lorain Bowling Association, League Secretaries, Proprietors and Bowlers for their fine cooperation this past season. Each year there are more leagues and bowlers in the L.B.A. and this average book is getting larger each season. Without the cooperation we have had we would be unable to print this average book and get it out on time allotted to us.

Respectfully yours,

Ivan (Bud) Coburn

DELINQUENT BOWLERS - 1962-63 SEASON

The names of the bowlers listed below are those for whom I am unable to find a card in my files showing they paid their sanction fee for the 1962-63 season.

It is the duty of the team captain to check and make sure that all his bowlers are sanctioned. A team bowling with an unsanctioned bowler forfeits all games won.

It is an A.B.C. Rule that all bowlers who bowl in sanctioned leagues must be sanctioned, including substitutes.

The Lorain Bowling Association operates on the individual membership plan. All bowlers who bowl in leagues sanctioned by the L.B.A. must pay \$1.50 sanction fee. Any bowler who holds an ABC sanction card from an association other than Lorain must pay a fee of \$1.00 in order to bowl in leagues sanctioned by the Lorain Bowling Association.
