GOOD BOWLING AND BEST WISHES TO ALL BOWLERS AND PROPRIETORS

To Members of the L.B.A.

My sincere thanks to all the bowlers of the Lorain Bowling Association for the confidence they placed in me during the past season.

It has been and will continue to be a pleasure to work with the members of the association who have done a fine job.

I would like to thank each bowler personally, but as that is impossible, I wish to extend my sincere thanks to the bowlers, League Presidents and Secretaries.

Also to the Proprietors and Managers of all bowling establishments, my thanks for their cooperation and fine condition of the lanes.

In closing, let me say a good word for the LBA Secretary, his wife, my Advisory Board and all members of the Executive Committee.

I wish you the best in bowling in the future years.

Sincerely,

Dick Oggood, President

Lorain Bowling Association

This is the 39th Annual Official Average Book of the Lorain Bowling Association.

The average book lists the names and highest average of 4700 bowlers who bowled 21 games or more in the 1963-64 season, which is an increase in number of bowlers in the association.

For the first time the number of bowlers sanctioned with the association passed the 5,000 mark. There were 5,040 sanctioned bowlers which includes out of city sanctioned bowlers but does not include summer league bowlers.

There were 120 winter leagues with 1169 teams and 21 summer leagues with 206 teams for a total of 141 leagues and 1375 teams. There were 73 leagues with 5 Man teams, 11 with 4-Man teams, 5 with 3-Man teams and 52 with 2-Man teams.

HIGHLIGHTS OF PAST SEASON:

The 39th Annual City Tournament was the largest tournament we have had in the past 25 years. We had a record entry of 150 teams which surpassed the previous record of 140 teams. In addition to the prize money paid into the tournament by the bowlers, the sum of \$1169.00 was donated by the IRA into the prize fund.

The 5th Annual Captain-Sponsor Tournament was well represented by an entry of 145 two-man teams which is 35 more than the previous year.

INDIVIDUAL ACCOMPLISHMENTS:

This season we had four bowlers who passed the 200 mark in their averages.

Jim Sandys, as he did last year, leads with an average of 204, followed by Alex Black Jr. and Pete Kallas with 202 each. The fourth bowler is Bob Kaenich who had an average of 199 last season and finished up this year with a 201 average.

Ed Regnoni, a bowler in the Hobman B league, has the honor this year of having bowled the highest game in the association. Ed didn't roll a 300 game but he was close to it. On Nov. 5, 1963 he spared in the first frame and then struck out with eleven in a row for a 290 game. He received a belt and buckle award from ABC for the game.

There were others who had the hope of getting a perfect game, but somewhere in the game they missed or had a light hit and didn't carry a strike with it.

Krnie Stelmack, bowling in the Gene's Floor Covering Classic league at the Saxon Club had a good start but failed to make the grade.

which is his lifetime sign.

Dom Exposito, bowling in the Italian Amer. Vets League at Rebman Recreation started his game with a spare, had ten strikes in a row but left up the seven pin on his last ball for a 287 game.

Jim Erletic, bowling in the Chaszar A league at the Croatian Club, started out for a perfect game with ten strikes in a row but on the eleventh ball had a poor hit and left the nine pin up which he converted for a spare and a 289 game. Jim added games of 256 and 192 to compile a 737 series which is top spot in the association for the season.

Henry Stonehouse, bowling in the Andorka Major B league at Andorka Lanes, had a try for a perfect game but like the others had a bad hit on the eleventh ball and left up the 5 and 9 pins after getting ten strikes in a row. Henry converted the spare and finished with a 288 game.

There was a 300 game rolled in Lorein altho it does not count as it was bowled in an unannounced tournament. Gordon Kachur rolled the perfect game while bowling in the Sweepstakes at Andorka Lanes.

YEARBOOK:

This yearbook required many hours to compile and will be of valuable service to the bowlers and their respective leagues. Particular thanks goes to the secretaries who turned in the average cards on time so that this book could be printed on schedule.

Also my thanks to the Executive Committee of the LBA, proprietors and bowlers for their cooperation this past season.

DELINQUENT BOWLERS - 1963-64 SEASON

The names of the bowlers listed below are those for whom I am unable to find a card in my files showing they paid their sanction fee for the 1963-64 season.

It is the duty of the team captain to check and make sure that all his bowlers are sanctioned. A team bowling with an unsanctioned bowler forfeits all games won.

It is an A.B.C. Rule that all bowlers who bowl in sanctioned leagues must be sanctioned, including substitutes.

The Lorain Bowling Association operates on the individual membership plan. All bowlers who bowl in leagues sanctioned by the L.B.A. must pay \$1.50 sanction fee. Any bowler who holds an ABC sanction card from an association other than Lorain must pay a fee of \$1.00 in order to bowl in leagues sanctioned by the Lorain Bowling Association.
