To Members of the L.B.A.

May I at this time express my appreciation for the fine cooperation that I have received from all bowlers and my excellent Board of Directors.

It has indeed been a pleasure to serve as your president and I shall remember it in years to come.

It was with some regret that we were not able to hold our annual banquet for the bowlers, but lack of interest on the bowlers part caused it to be canceled. Maybe this coming year we can renew our annual banquet.

I wish to take this opportunity to thank my Board of Directors, all you fine bowlers, Mr. Bud Coburn and his wife and all others who made this year such a fine success.

May I close by thanking the Lorain Bowling Association Proprietors who have done such a fine job. Wishing all of you good bowling and high scores.

Yours in bowling,

E.H. Cogood, President

TO ALL LEAGUE SECRETARIES AND BOWLERS
OF THE LORAIN BOWLING ASSOCIATION:

This official average book of the Lorain Bowling Association is the 40th annual book. On November 24, 1924, this association became a charter member of the American Bowling Congress.

Compiled in this book are the names and highest average for 21 games or more for 4,516 bowlers who bowled in 114 winter leagues. There was a total of 4,922 sanctioned bowlers, many of them bowling less than 21 games.

There was a drop in number of leagues, both winter and summer. A total of 114 leagues composed of 1136 teams and 12 summer leagues of 129 teams for a total of 126 leagues with 1265 teams. Approximately 200 bowlers less than last season.

INDIVIDUAL ACCOMPLISHMENTS

There are three bowlers listed who finished with a 200 or more average.

Outstanding bowler of the three is Pete Kallas. Pete finished the season with an average of 209 for 78 games. He bowled in five leagues and compiled a grand total of 74,760 pins in 372 games for a composite average of 201. He is the bowler of the year in the Lorain Bowling Association.

Al Katrinesak is next in line with a 201 average, followed by Charles Linden with a 200.

There were four bowlers who were close to 200 average but finished with a 199. They are Gordon Kachur, Alex Black Jr., Al Thompson and Bob Ksenith.

The highest individual game bowled since 1962-63 season when Geo. K. Kosco rolled a 300 game was bowled by Walter S. Korab, in the Broadway A league. Walt started with eleven strikes in a row but on the last ball left up the 6 and 10 pins for a 298 game.

A few others tried for the coveted 300 game but did'nt have any luck. Don Hicks, bowling in the Duke & Duchess league spared the first frame, then struck out with eleven in a row for a 290 game. Pete Homolya, of the Hank Andorka Classic league tried also, but did'nt succeed. He started with a spare, then eleven strikes in a row for a 290 game. Also, in the singles event of the 40th annual outy tournament Bob Milovich started with a spare then went all the way for a 290 game.

Jack Goodwin put in his bid for a perfect game, but like the others he failed... Jack started with eight pins in the first frame and struck out for 278 game.

Jerry Mowery, a bowler with 159 average, started out with ten strikes in a row, then run into a 4-6 split which spoiled his game but gave him a 287 game.

The highest 700 series for the season was bowled by Hilt Dobbeak in the Broadway Mixed Dbls. Tournament. He rolled 245-226-255 for a 726 series.

Ed Gov, after 12 years of bowling achieved his lifetime high, a 715 series in the Hank Andorka Classic league. A month later he repeated with a 707 series in Gons's Floor Covering Classic league at Saxon Club lanes.

After 20 years of bowling, Baldo Caspans made the 700 club by bowling 709 in the BPO Elks 1501 league at Rebsman Recreation.

Flynn Jayson, retired City Fireman, after 20 years of knocking down the pins made the 700 club by bowling 705 in the Lorain Moose league.

John B. Simon made the 700 club by bowling 704 in the Saxon Central B league. This series was his lifetime high and first 700.

Ray Garcia, who bowled his first 700 series several years ago, racked up another in the Chaszar Contractor A league at Croatian lanes.

The 40th annual city tournament had a good number of entries, there being a 129 teams, 194 doubles, 398 singles and 317 all events.

The outstanding accomplishment in the tournament was the 1306 actual series and the 1369 hdp. series in doubles event. Scores were bowled by Al Katrincek and Rich Lustek to win both awards. The 1306 was second highest in city tournament. (Actual Score). The actual all time high was bowled in 1953 by Rudy Dusa and Andy Soislawski. Their total was 1311. Also, in the 1953 tournament the highest hdp. doubles score was bowled. Record is held by Mike Salvetta and Don Bezzable - 1428 hdp. series.

Bob Milovich, in singles event, bowled a 290 game which is the highest game bowled in city tournament since Andrew R. Thomas bowled a 300 game in the 1946 tournament at Andorka Lanes which was then on Vine Ave.

Lyle (Red) Tischer, a bowler of 46 years who is known to most bowlers in the Lorain area was elected President of the Lorain Bowling Association for the 1965-66 season. Lyle, who was honored at the 1963-64 Bowlers Banquet, has served many years with the L.B.A. He has held office as Vice-President, Executive Director And Advisory Board member.

My thanks to the secretaries of the leagues who turned in average cards on time so this book could be set up and printed. It requires many hours to get this book in order and printed and without the cooperation of secretaries we could not make the deadline.

Also, my thanks to the members of the Lorain Bowling Association, proprietors and bowlers for their cooperation this past season.

Mark on your calendar the City Tournament dates which will be Feb. 19 to March 26, 1966 at Lake Erie Lanes.

Sincerely yours,

Ivan (Bud) Coburn

DELINQUENT BOWLERS - 1964-65 SEASON

The names of the bowlers listed below are those for whom I am unable to find a card in my files showing they paid their sanction fee for the 1964-65 season.

It is the duty of the team captain to check and make sure that all his bowlers are sanctioned. A team bowling with an unsanctioned bowler forfeits all games won.

It is an A.B.C. Rule that all bowlers who bowl in sanctioned leagues must be sanctioned, including substitutes.

The Lorain Bowling Association operates on the Individual Membership Plan. All bowlers who bowl in leagues sanctioned by the L.B.A. must pay \$1.50 sanction fee. Any bowler who holds an ABC sanction card from an association other than Lorain must pay a fee of \$1.00 in order to bowl in leagues sanctioned by the L.B.A.
