To League Secretaries and Members of
The Lorain Bowling Associations:

This is the official average book of the Lorain Bowling Association for the 1965-66 season. This book required many hours to compile and was made possible through the cooperation of secretaries.

There was a total of 5140 sanctioned bowlers in the association this season. Listed in this book are the names of 4,777 bowlers and their averages for 21 or more games in each league in which they bowled. There may be some duplications of names which was due to some secretaries failing to write in the address of the bowlers and we were unable to check them with our records.

Pete Kallas was the bowler of the year again. Bowling in five leagues he compiled a composite average of 202 for 381 games. His highest average was 205 for 81 games in the Open Hearth Fraternal league. He rolled four series of 700's, the highest being a 751 in the Jet Auto Wash Classic, which is also the highest series in Lorain this year.

Stan Tony, a member of Tony's Meats team was the next highest average bowler with a 199 average for 78 games in Gene's Floor Covering Classic. He was close to a 200 average but fell short a few pins.

John Pesti, bowling in Gene's Floor Covering Classic rolled a game of 299. The stubborn 4 pin stayed up on the last ball, robbing him of a 300 game.

Gary Knapp of the Broadway A league started with a spare, he rolled eleven strikes in a row for a 290 game.

There were 14 series of 700 or better rolled this year.

Tony Talloni rolled a 709 series, his first after many years of bowling. Jack Goodwin bowled a 706 in the Broadway A league. This was his highest series since he has been bowling.

Richard Muzik rolled his first high series in the K of C Council 657 league, a 701 score.

After 25 years of bowling, John Lesnak finally made the 700 Club. He bowled a 711 series in the Jet Auto Wash Classic.

Another bowler to join the 700 Club was Tom Ochs of Huron. He had an even 700 in the Broadway Commercial league which was his lifetime high.

Owen Beckmeyer of the Independent team in the Slovak A league made a play for a perfect game, but for a stubborn 10 pin he would have succeeded. He started with 3 strikes in a row, in the 4th frame the 10 pin hung up, which he missed, then he went all the way with 8 strikes and a 267 game.

Gene Chopciunki performed a feat that is pretty hard to do. Bowling in Avenue Post 47 league at the Croatian Club he had 3 games of 212 each, a triplicate for 536.

One of the well known bowlers we lost this year was one who helped to organize the Lorain Bowling Association. He became it's first president in 1924. He was Mr. A.M. "Del" Pollock. He served on the L.B.A. Board for several years and was honored a few years ago at the Annual Bowlers Banquet of the association.

Thanks to the secretaries of the leagues for turning in their average cards on time so this book could be printed.

Also, my thanks to the members of the Lorain Bowling Association, Proprietors and bowlers for their cooperation during the season.

Sincerely yours,

Ivan E. Cobarr

DELINQUENT BOWLERS - 1965-66 SEASON

The names of the bowlers listed below are those for whom I am unable to find a card in my files showing they paid their sanction fee for the 1965-66 season.

It is the duty of the team captain to check and make sure that all his bowlers are sanctioned.

It is an A.B.C. Rule that all bowlers who bowl in sanctioned leagues must be sanctioned, including substitutes or extra team members.

All bowlers, without exception, must correctly make out a sanction card in order to bowl in sanctioned leagues.

The Lorain Bowling Association operates on the Individual Membership Plan. All bowlers who bowl in leagues sanctioned by the L.B.A. must pay \$1.50 sanction fee. Any bowler who holds an ABC sanction card from an association other than Lorain must pay a fee of \$1.00 in order to bowl in leagues sanctioned by the L.B.A.
