To the Editors of the
Larkin Bowling Association and
Palmer Association Officers

I would like to take this opportunity to express my appreciation to the officers of the Larkin Bowling Association and to all the bowlers in the Association for their cooperation.

Many thanks to the members of the various committees who did everything humanly possible to coordinate the many activities of the Larkin Bowling Association.

I would especially like to thank John Leater for the tremendous job of taking over as Secretary after Ed Coburn's untimely death.

Once again, thank you

Yours for Bowling and
Fair Sportsmanship

Bob Langston

Bob Langston, President
Larkin Bowling Association

To League Secretaries and Members of
the Loyal Bowling Association

This is my first attempt to prepare the official returns of the season of the
Loyal Bowling Association.

Because the previous secretary, the late Ivan "Bob" Coburn, had done so fine
a job, I feared that the task would be beyond my capabilities. However, because
his style was so easy to understand, the task, although arduous, became routine.

The Loyal Bowling Association during the 1968-69 season was 117 leagues,
1227 teams, and 4155 sanctioned bowlers. There were 1165 bowlers who were reported
as bowling in some form or another during a total of 6556 team games.

Notable Achievements

Robert Keston rolled a 300 game at Anocks Lanes on December 16, 1968. This
was Bob's second 300 game; his first was rolled on September 4, 1964, at the
Saxon Lanes.

William Datto rolled his first 300 game at Hebrew Recreation on March 13, 1969.
This was the first 300 game rolled at Hebrew Recreation.

Edward Rober rolled a 200 game at the Saxon Lanes on April 16, 1969.

Edward Myranda, Jr. rolled the highest three-game series of the season -- a
sparkling 710 bowled on October 21, 1968, at Hebrew Recreation.

A new name enters the leading high average club of the Loyal Bowling Association --
Ear E. Sharr of the Ford Fraternity League who finished with an average of 231.1 --
51 games bowled for the No. 1 spot. No. 2 spot belongs to Pete Kallias who
averaged 203 for 105 games bowled in the Saxon "A" League. Kent Kinnaman was
No. 3 man with 200 for 99 games bowled in the Gene's Floor Covering Classic.

Pete Kallias must again be considered the bowler of the year with his outstanding
scoring: Ford Fraternity League - 96 games, 203; Dolin Cleaner Classic - 71 games, 194;
Anorka Unions - 82 games, 197; Gene's Floor Covering Classic - 105 games, 181,
and Saxon "B" League - 125 games, 205.

It is unfortunate that in view of the wonderful cooperation I have received from
the great majority of secretaries, I am forced to criticize some. There were at
least four secretaries that seemed to misplace records and one secretary who
failed to send in my records even once in the printing.

To the secretaries who fulfill their responsibilities to the members of the
leagues who participate team with them, my very thanks.

Thanks, too, to the members of the L.L.A. Executive Board who went overhead to
help, as well as to the proprietors who cooperated so well.

Sincerely,

John J. Kinnaman, Secretary
Loyal Bowling Association

MEMORANDUM FOR THE RECORD - 1968-69 SEASON

The names of the bowlers listed below are those who were listed in the 1968-69 season. I have printed the names in this order.

It is the duty of the league to check to make sure all the bowlers are accounted for.

It is an ABL rule that all bowlers who bowl in sanctioned leagues must be accounted for in the league's records of bowlers who bowled.

ALL BOWLERS, WITHOUT EXCEPTION, must properly bow in a sanctioned league in order to bowl in sanctioned leagues.

The League Bowling Association expects all the individuals mentioned in this list to bow in sanctioned leagues sanctioned by the ABA and pay the 1968-69 season fee.

Any bowler who bowls in ABL sanctioned leagues and does not bow in other sanctioned leagues must pay a fee of \$1.00 to bow in leagues sanctioned by the ABA.
