To League Officers and Members of the Lorain Bowling Association:

It has always been the custom of the City Secretary to highlight facts pertinent to the sport of bowling and of the bowlers themselves. The following falls into this category.

The LBA is comprised of 124 leagues made up of 1340 teams. The total male membership of these teams is 7021. Of this number, 4940 are original sanctions, 101 are out of town sanctions, while 1980 are bowlers who participate in more than one league in our association. The net result of these figures reflect a loss of 2 leagues and a gain of 21 teams. We gained 86 original or out-of-city sanctioned bowlers and gained 35 multi-league bowlers. The loss of leagues versus the gain of teams is due to the increase of doubles and singles teams in mixed leagues as opposed to 3-men teams in men's leagues.

#### MERITORIOUS ACHIEVEMENTS

Jim Ragnoni's 298 rolled in the Kohlmeier Sports Classic was the highest single game score rolled in this Association this past season.

The highest 3 game set is also owned by Jim Ragnoni a staggering 798 which places it as the fourth highest in Lorain's All-Time high sets. This is the 3rd consecutive year that Jim has rolled the highest 3 game set of the season in the Lorain Bowling Association.

The battle for high season average was a good one with Bob Shank's 213.514 edging out Jim Ragnoni's 213.471. Jim also averaged over 200 in the Kay Don Classic; Dennis Denman had a pair of 200 averages with a 205 tops; Ed Hromada, Jr also had 2, 200 average leagues with a high of 205; Jim Lavene's 202 was high of his pair of 200's. In addition to Bob Shank's solo 213 average other one timers were---Jim S. Gallagher - 204; Bob Stich - 204; Paul Burdorf - 203; Alex W. Black - 202; Ken Tomazic - and Frank Perry each with a 200.

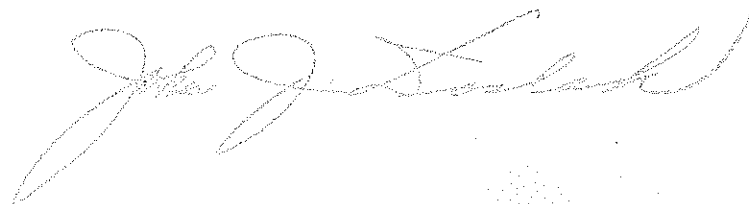

Jim Ragnoni scored six 700 series, tops for the city.

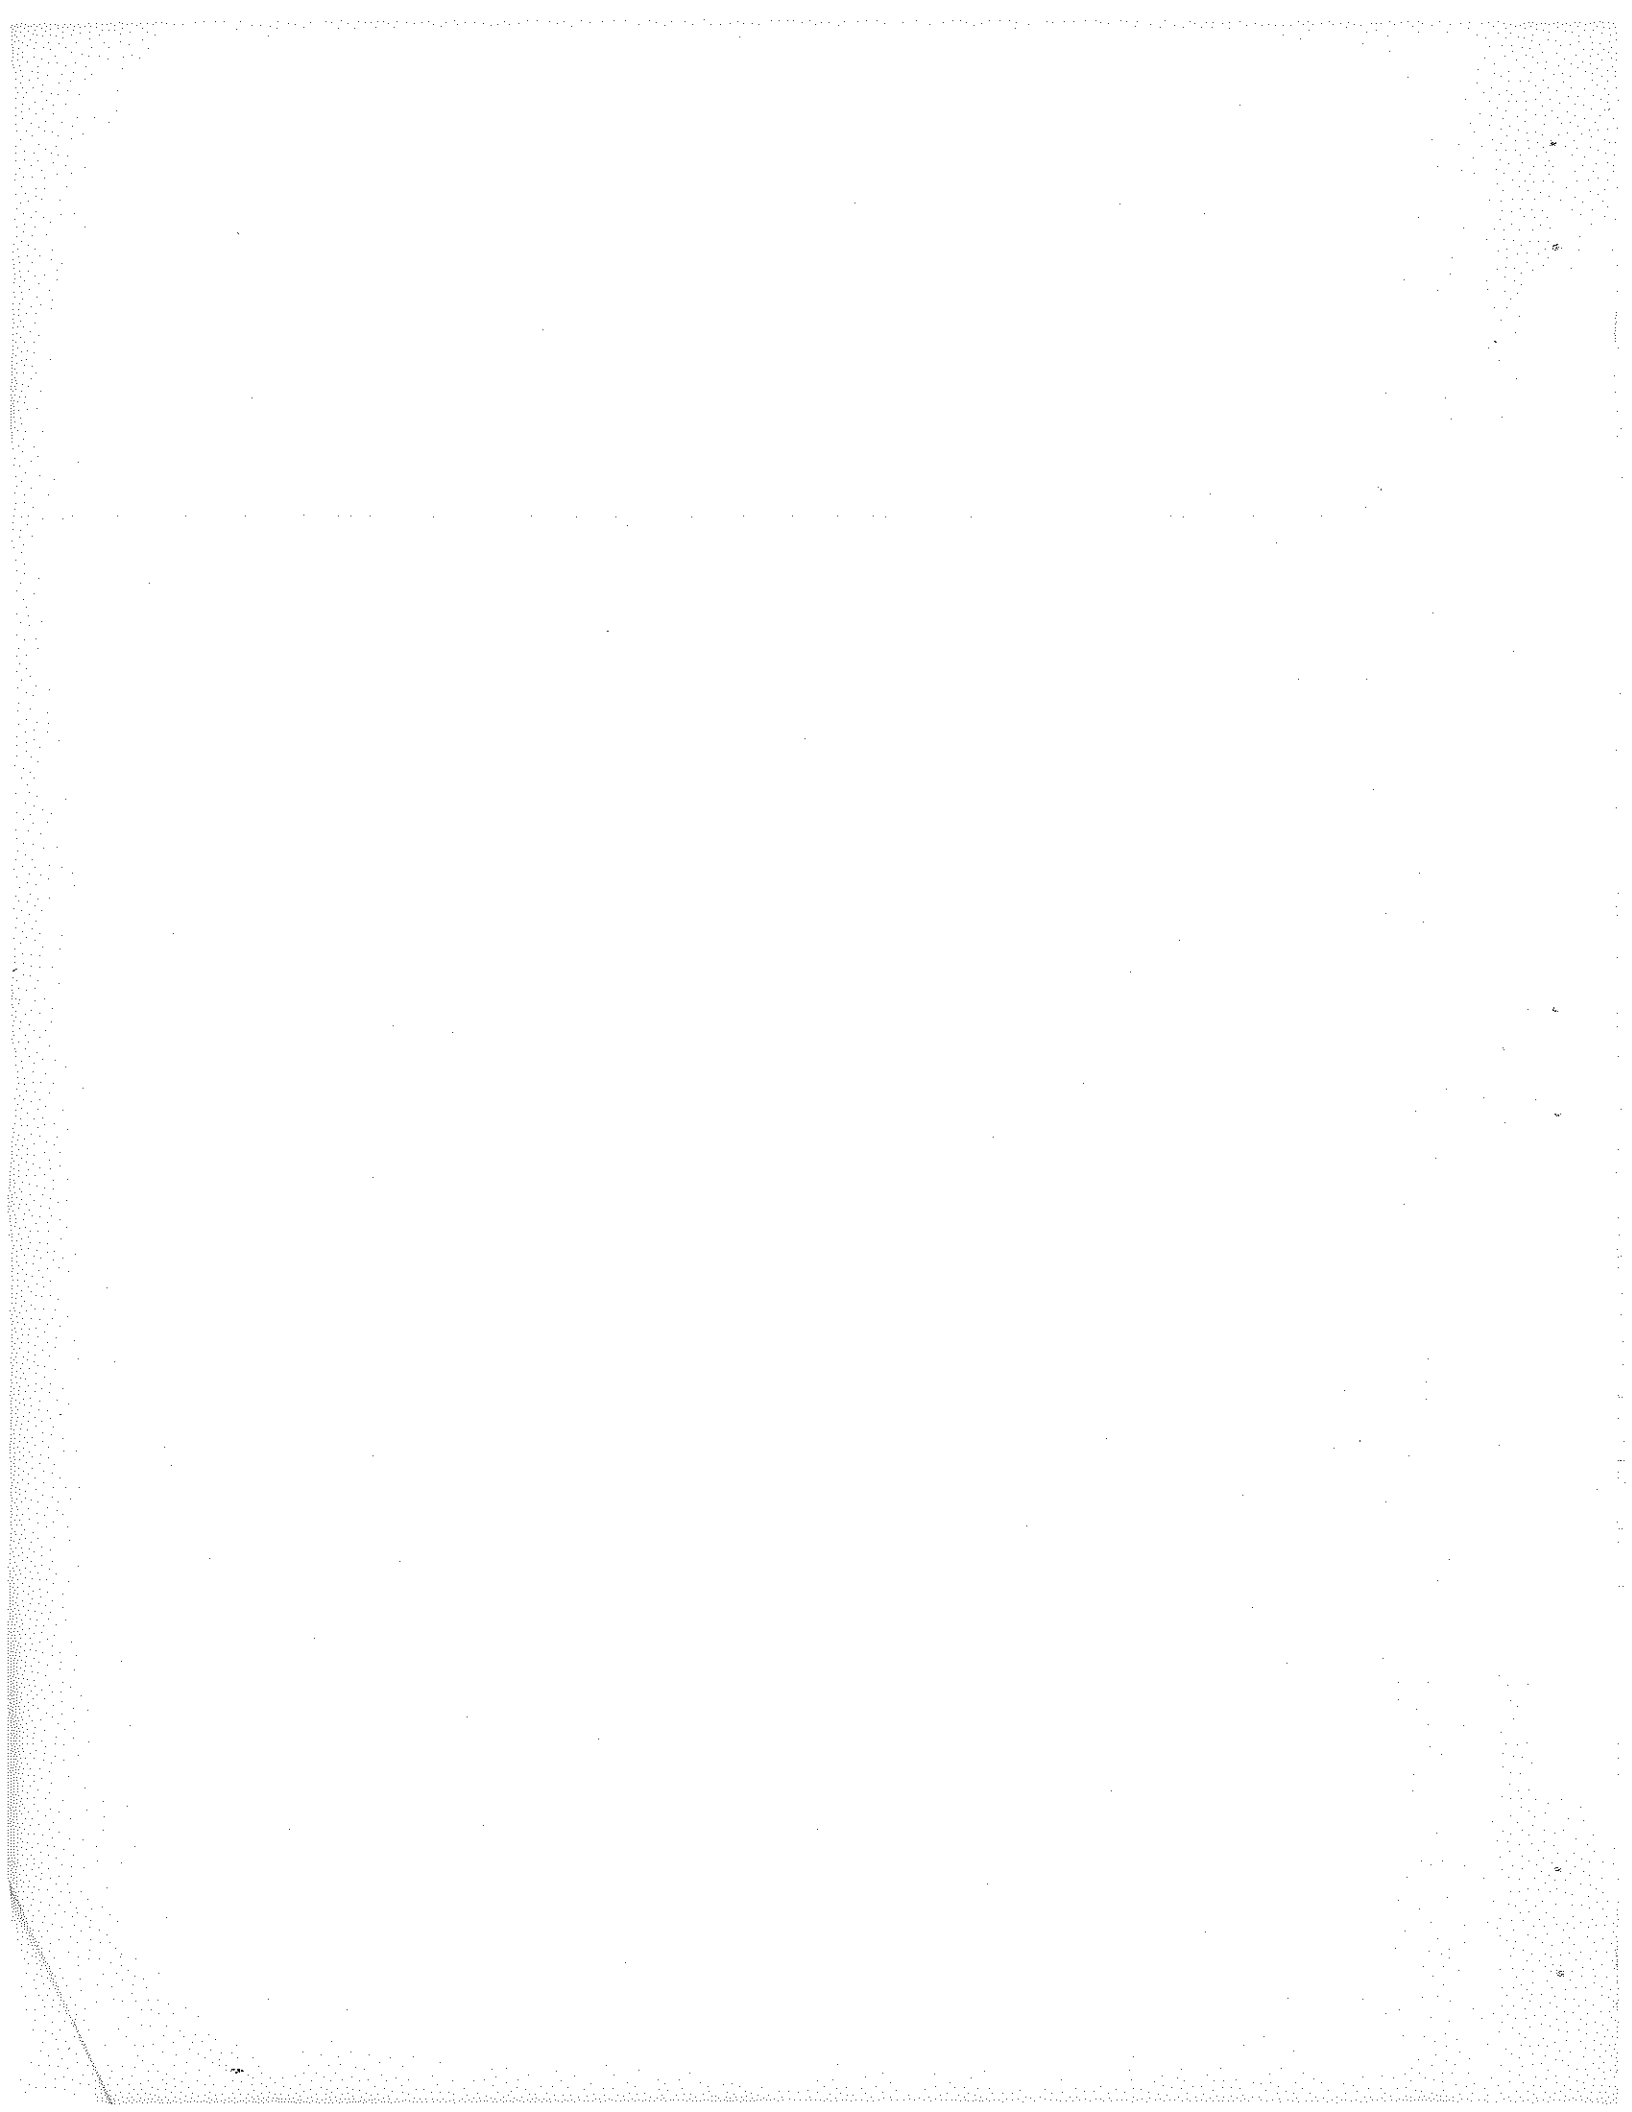

Although he did not score his perfect games while competing as an LBA bowler, Jim Ragnoni's three 300 games have to be recognized as an individual triumph and a fact to be envied. CONGRATULATIONS, Jim.

#### COMMENTS TO SECRETARIES, LBA OFFICERS AND LANE MANAGERS

By far and large you have done a good job, however, there are still some who drag their feet in getting their leagues sanctioned and turning over the final average sheet to me. There is a lot of work necessary to bring these operations to a successful end. We are limited by time in performing our functions on schedule, and if you do not perform yours on schedule we miss ours. To be very frank, I can see no excuse whatsoever, in not completing and turning over the final average sheet to me within one week after the season ends.

Thanks to a great staff of officers for their help. Thanks also to the lane managers for their cooperation in all things.

1933 - 1975 HONOR ROLL

Listed below are the names of bowlers from our Association who have received an award from the American Bowling Congress for a 300, 199 or 298 game. This list was taken from the official ABC Record book, which listed all high games from the year 1935 up to and including 1957. All high games bowled since 1957 have been added to keep the list up to date, 1974 - 75 scores included.

PAST RECORDS

There have been some requests for past records.

This list of high games and series is a reprint from the 1956-57 average book.

These records were taken from the files of the Lorain Journal and the Lorain Bowling Association. To the best of my knowledge, these are the only ones available.

John J. Doolek, Secretary  
Lorain Bowling Association
