To All Officers and Bowlers - Lorain B. A.

Counting the summer leagues, there were 180 leagues in the Lorain B. A. this past year comprised of 2127 teams. The total male membership was 8567; 5999 of which were original sanctions and 2568 were multiple participants.

I am pleased to announce that because the Amherst B. A. is disbanding, they have joined Lorain - the effective date being Aug. 1, 1979.

I wish to thank all secretaries and presidents who performed in their office in a responsible manner, fulfilling all the duties as had been assigned to them. However there are some that neglect to comply eg: secretary is very late in getting league sanctioned, fails to provide captains with league rules; president fails to appoint important committees - rules and prizes committees are an example. These foregoing failures caused some problems this past season.

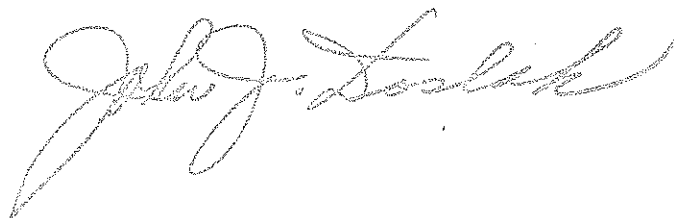

As of this writing, June 30, 1979, one league - International Mixed Couples of Creation Lanes whose season ended May 20 - failed to turn in the final averages. The secretary was contacted by phone, but she still failed to comply. On the last page of this book are listed bowlers for whom I did not receive sanction applications. Unless proof of sanction is shown me, their averages cannot be used in sanction play during this coming season. These are also secretary failures.

The number of "Award Scores" rolled this past season were staggering and sorrowfully so were the rejections. 800 series - 6 rolled, 4 rejected; 300 games - 12 rolled, 5 rejected; 299 games - 3 rolled, 1 rejected; 298 games - 3 rolled, 1 no ruling to date; team 1200 games - 3 rolled, 2 rejected; team 3400 series - 2 rolled, 2 rejected. With the exception of one 300 game, all scores were rejected because of illegal oil application. A 300 game was rejected by the ABC because it was bowled in an unopposed match. I am waiting a ruling by the ABC for a 298 game that was reported over one month late.

High average honors for this past season go to Jim Ragnoni for his 225 average compiled in the Andorka Classic league. There were 29 bowlers who compiled 200 and better averages.

My thanks to all the members of the Board of Directors for again doing a super job. My thanks to all bowling lanes managers for their cooperation.

Regardless of how some bowlers feel, this office is dedicated to serve all bowlers equally by demanding that all rules of the game be adhered to by all concerned.

Gentlemen:

In my 29 year association with bowlers, one of my most gratifying and satisfying of experiences has been that of serving in the capacity as President of the Lorain Bowling Association during the past 1978-79 season.

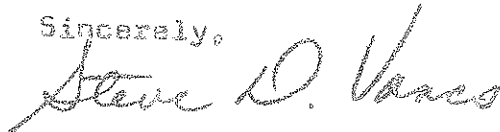

Thanks to all who attended meetings faithfully and who have made my job easier because of your work on various committees. Without you there would be no organization.

Working with John Doslek, our Secretary-Treasurer, has not only been a pleasure, but a lesson in integrity and dedication. I only hope John, that a little of your example has rubbed off on me.

Congratulations and best wishes to our new President-elect Dave Mead. If I can be of any help at all, don't hesitate to call.

Once again, my most heartfelt thanks to all of you.

Sincerely,

A handwritten signature in cursive script that reads "Steve D. Vance". The signature is written in dark ink and is positioned above the typed name and title.
