## "We Salute Our All Sports Hall of Famers"

### **NICK KSENICH, SR.** **Inducted April 30, 1980**

For more than 50 years this outstanding athlete attained national, state and local honors in football, bowling and baseball.

He was player-coach for the storied Lorain Buckeyes A.C. (1920-30), a team enshrined in the National Football League Hall of Fame at Canton (O.) and also in the Lorain Sports Hall of Fame in 1971.

His Grove Athletic Club football team won the Ohio Lightweight gridiron crown in 1916, and he also performed with the famed Mercuries eleven.

A splendid bowler, he teamed with George Canalos in 1921 to win the **City Bowling** Tournament doubles title with a score of 1271, and captured the singles crown in 1930 with a 289/681 score. He rolled the first sanctioned 300 game in Lorain history on November 27, 1934.

As a member of the Eagles bowling team, he paced the potent keglers to the city championship in 1922-23. At the peak of his bowling career he carried a superb 210 average, and posted a lifetime average of nearly 200.

On the baseball diamond during the 1920s and '30s he starred as a standout catcher for teams such as St. Nicholas and Shamrocks, both of which won city championships. He served as supervisor of the Lorain Amateur Baseball Association during the 1930s.

Mr. Ksenich was employed by United States Steel Corporation Lorain-Cuyahoga Works, retiring in 1963 after 42 years of service.

To A. I. H. (Lorain and Western) - Lorain B. A.

Including summer bowlers, there are 192 leagues in the Lorain B. A. area past year, comprised of 2114 teams (11 more than last year). The total male membership was 8363 of which 8122 were original sections. We gained 123 new bowlers but lost 207 who bowled in more than one league.

I wish to thank all presidents and secretaries who performed their duties in a responsible manner. Here are examples of those who do not give 100% for 100% pay - secretaries who allow unattached bowlers in their leagues (see last sheet of averages); secretaries who do not section their leagues promptly; secretaries who do not report award scores to the ABC or to the LBA when required (if you as a bowler did not receive recognition for a 700 score etc., don't call me, call your secretary); secretaries who do not insist that every bowler in his league must complete a sanction application whether or not he is sanctioned in that league (this year we need not over 200 cards - next year DO NEED DO AVERAGES!); secretaries who have no concern for the bowler to have his average published in the year book--I had to call 35 secretaries to get the final average sheet to me, and this, after they were already at least one month late (their excuse "it's finished, I just forgot to mail it to you") - 2 league secretaries failed to get their final average sheet to me--South Amherst Teachers and Ontario Hills and Missoula; and finally, the presidents of these leagues who claim the abuser mentioned above.

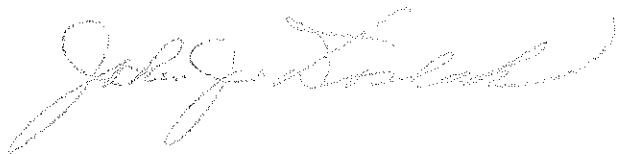

We again had a very high output of award scores, 13-300 games, 12--299 games, 2--298 games, 3--200 series and 227--700 series. None my comments relative to 700 sets rolled but not reported, on the sheet where the 700 scores are listed.

High average honors for this past season again go to Jim Reardon for his 219 Average earned in the Broadway Singles Classic League. There were 41 bowlers who compiled 700 and better averages.

The bowlers of Lorain are very fortunate to have the caliber of men that represent them on the board of directors of the Lorain B. A. I personally appreciate the work that they do and the time that they contribute to make this a top notch organization.

My thanks to all bowling lane managers and owners for their efforts in keeping their places of business clean and inviting to all bowlers and their families and friends. Out of towners have great praise for your cleanliness.

Personally shall strive to give the best possible service to all bowlers

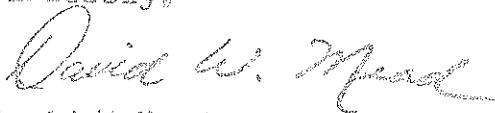

To All Members of The Lorain Bowling Association:

I would like to express my thanks to all members of the Lorain Bowling Association for their cooperation in the past year. I have enjoyed the experience in serving as your president.

My appreciation goes to the officers and advisory board of the L. B. A. for their help and advice in making the past year a success once again. Working with you has been a great pleasure.

Congratulations to Andy Mihalik, our incoming president, and all the other newly elected officers. I hope you have a successful year. I'm looking forward to helping you in any way I can. Thanks again to everyone.

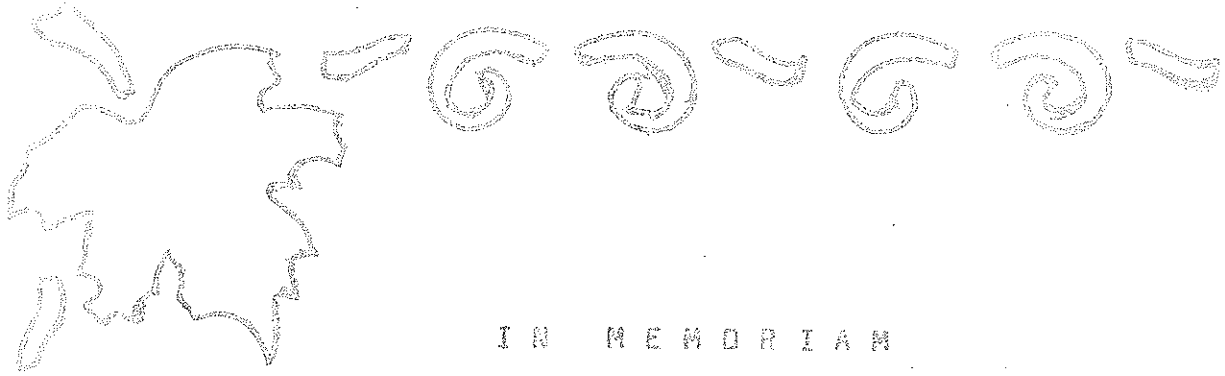

Sincerely,

David W Mead

AS I MENTIONED IN MY LETTER in the front of the book, here are listed bowlers for whom I did not receive a sanction application card. I am assuming that these bowlers are un-sanctioned and this is inadvisable. Obviously the secretaries involved are not monitoring their leagues by checking sanction and application to the individual posting card--there should be one for one and the names should be identical in spelling etc.

The breakdown by league shows that one secretary had 6 un-sanctioned bowlers; 1 secretary had 3 un-sanctioned bowlers; 3 secretaries had 2 un-sanctioned bowlers and 10 secretaries had 1 un-sanctioned bowler--concern this to the 10 secretaries who had clean leagues.
