REBMAN REC.

"We Salute Our Hall Of Famers"

JOHN DOSLAK **Inducted April 21, 1982**

An outstanding fastpitch softball pitcher for two decades, his favorite sport was bowling, and after 35 years of service to the Lorain Bowling Association he is known as "Lorain's Mr. Bowling".

During the "golden era" of fastpitch softball -- the late 1930's to the mid-1950's -- he competed with the best athletes of his day, including Hall-of-Famers Bruno "Bumpy" Skolnicki, Mike Zelesky, John Skolnicki, Joe Carek, John "Duke" Ducar, Joe Costello, Archie Jenkins and Clarence "Tubby" Wolfe.

He has served three terms as President of the Lorain Bowling Association, plus an incredible 16 terms as secretary-treasurer. Thanks largely to his efforts, the Lorain Bowling Association now ranks among the best associations of its kind in the country.

In addition, he has been elected as a delegate to the American Bowling Congress national convention a total of 15 times. Currently he serves as activities director for the National Slovak Society of America, and is active in the Slovak Bowling Congress of America.

As kingpin of local keglers, he keeps records of 8,000 bowlers and publishes their averages annually.

Mr. Doslak's contributions to the local sports scene are legendary, and in 1980 he was inducted into the Lorain Bowling Association's Hall of Fame.

Dear Bowler:

In the past I have been addressing this letter to your secretary, evidently you have not seen it although a copy is available at every bowling establishment in the prior year's average book, Each year I recount my problems with your league officers, but you don't seem to care. Evidently you like being taken for a ride.

Every year I print an instruction sheet which is given to the secretary of every league. What a waste of time! 75% of them don't read it or ignore it completely. The secretaries of these leagues are guilty of not sanctioning the leagues within the allowable ABC limits. If any one hits an award score after the specified limits, the bowler must file an appeal to the ABC to have it approved, and they won't approve the score until they receive a 2 page questionnaire from me. I have had to complete such a report 3 times in the last two years. I do this just so that you get your award. I must be some kind of a fool because if you don't care how your secretary operates, why should I.

You will notice that 3 leagues do not have their averages published in the book this year. Two of these leagues are well established and they elect the same secretary every year. And, each year, I have the same problem with them: Men's Tuesday Nite Handicap of Lake Erie Lanes -- this league's sanction application was received 46 days after the ABC deadline and as of this day July 8, 1982 I still have not received the final average sheet. Rebman Jr. B - this league's sanction application was received 39 days after the ABC deadline, and their final average sheet was received after the book was already in print, 45 days after the deadline. In my instruction sheet I notify them that the sanction application is due within 42 days after the start of the league's season, and that the final average sheet is due two weeks after the end of the season. In late February they receive a written reminder of the exact day that this sheet is due to me. If I don't receive it by that time they get another letter or phone call from me - and still they don't comply. But you can bet that they take their salary, whether or not they complete the responsibilities of their position. The ABC says that no officer can receive any salary until he completely fulfills every segment of his responsibility to the league. Another problem that I have is that your secretaries do not insist on sanction applications from all bowlers whether or not they are sanctioned in another league. My wife and I, each year, make out upwards of 300 cards for bowlers who did not make out sanction application cards. Check the last page of the average book, and see how many of these bowlers are unsanctioned - maybe some of them are ineligible bowlers of a championship team. With two exceptions (one at Rebman, the other at Aquamarine) the classic league secretaries, based on percentage of bowlers concerned, break this rule (and it is an ABC rule) oftener than other leagues.

I believe that I have said enough, but I need your action to correct these faults. The best way to do it is to "REFUSE TO PAY YOUR OFFICERS" until they have completed their job.

There could be two leagues in financial difficulties this year - you are as much at fault as the officers, because you do not take an interest in your league until you get hurt. Then you say why doesn't the ABC help me. Read your rules and you will get the answer. There are rules concerning your league's bonding program. Please read them. If your league does not live up to the letter of the rules you can lose all of your prize money. And, the "BONDING" program is FREE.

Secretary

Listed below are the names of unsanctioned bowlers reported by the secretaries on their final average sheet. I make this assumption based on the fact that I had not received an application card from any league for any bowler listed below except in one case, and on investigation we found that this bowler did not bowl in the league he was supposed to be sanctioned in.

These unsanctioned bowlers are illegal bowlers and every time that they bowled without sanction, their teams should have forfeited all wins -- too late now! Maybe some of these bowlers were on championship teams----

How a secretary can make a weekly posting sheet for a bowler and still not have a sanction application card made out is a mystery to me. There should be one sanction application card for every person in the league, and the posting sheet should be noted as - Pd. \$3.00 & Date; Pd. \$1.50 & Date; Pd. Other & Date. There is a line provided for this data on the posting sheet.

I will not verify any average for any bowler herein listed unless he pays \$3.00 for last year's fees before he enters a tournament.

The following leagues are not in this book, because the secretary failed to turn in the final average sheet within the prescribed time, or failed to turn it in at all.
