IN MEMORY OF FELLOW BOWLERS WHO PASSED

AWAY DURING THE PAST BOWLING SEASON

Dear Bowlers:

In spite of my urging, we are still getting shoddy reporting from many leagues. On June 1, 2 weeks after all leagues were complete, we still did not get final average sheets from 5 leagues. The secretaries were called, and seemed surprised that I was in need of them already. This tells me that my instruction sheet is not read. In addition to the instruction sheet, in the middle of February, I send every secretary a reminder of the exact date that his final average sheet is due to me. Of the five secretaries contacted, three got the final averages to me immediately. Of the other two - I received Avon Lake Power (season ended 4/9/84 due 4/23/84) on June 11, six days after the average book was already being printed; I did not receive Lake Erie Merchants average sheet, as of this writing 6/28/84. The averages for both leagues are omitted in this year book.

At the time that the February letter goes out to all leagues, two other items are covered: (1) the secretaries are asked to give me a listing of all 700 scores rolled in their leagues, and (2) the date, time and location of the annual Council of Delegates meeting. In the first instance 15 secretaries failed to report the 700's rolled. If you did bowl one or more 700 scores, and you are not listed, don't call me - call your secretary. As for the Council of Delegates meeting, out of 160 notices mailed @ 20¢ each, only 31 eligible delegates attended. The quorum for our association, as set by the ABC, is 30. We got a lot of adverse lip service on at least one of the items passed, but it all came from bowlers who had no representation at the meeting. I told them as I am telling you, see your delegate and ask him why he did not attend. As you can see, it is possible that 16 people (a majority of those in attendance) could pass any item offered. The Board of Directors do not run the association, they administer the Rules and Regulations of the ABC and those Lorain B. A. By-laws as passed by the Council of Delegates.

Two important things were passed at this meeting: 1. Lorain B. A. will have a local awards program. It's up to the bowlers to keep their secretaries posted on eligible scores, and then it is up to the secretary to notify the association Assistant Secretary via the correct form; 2. Because our equipment is getting old, and in some cases unrepairable, we must think of setting up a replacement budget right now. Each year our combined checking and savings accounts are victims of a continued inflation. Our sanction fees have always been 50¢ to \$1.00 less than those associations around us. To offset this the Council of Delegates approved a \$1.00 regular and 50¢ senior sanction increase. This will put us in line with the other associations, and within the maximum limit set by the ABC. During the first year of the increase, all additional money received will be exclusively used for equipment replacement and extraordinary service.

During the past year there were 27 award scores reported to us. Of these, 5 were rejected because the lanes that they were bowled on did not meet the dressing application requirements of the ABC. There were 22 11-in-a-row scores bowled (these are near misses), these do not require a dressing check. By February of this year Lorain B. A. consisting of 6,000 sanctioned bowlers had 19 approved award scores. Compare this to 45 awards for the same period for over 100,000 bowlers in the Detroit B. A. Our average was 1 award score for every 315 bowlers, theirs 1 for every 2,220 bowlers. I guess maybe we are a bit lenient, an inference to this effect was made by an ABC representative.

To: The bowlers, officers, and advisors of The Lorain Bowling Association

From: Richard L. Marcucci, D.D.S.,
President 1983-1984
The Lorain Bowling Association

Gentlemen:

It was indeed a pleasure and an honor to serve as President of The Lorain Bowling Association during the 1983-1984 bowling season. I would like to thank all of the members of the board. These men served as committee chairmen or members of committees for all of our functions this past season. Without their help, the job of President would have been an impossible task.

A very special thanks to our secretary, John J. Doslak, and our assistant secretary, Robert W. Wenzel, who were there whenever I needed them.

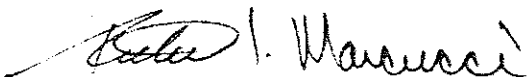

At the beginning of the season I had two goals, the holding of a seniors' tournament and the establishment of a local awards program. The seniors' tournament was held in May of this year. The awards program will be instated at the beginning of the 1984-1985 bowling season.

This past season's Lorain Bowling Association functions; The 700 Tournament, The City Tournament, the annual banquet and Hall of Fame induction, and the first annual seniors' tournament, were all successes. The credit again goes to the men of The LBA.

To our new President, Jeff Morehart, I wish a very successful year in office. I am sure he will receive the same support I did.

Good luck and good bowling in the coming year.

Sincerely,

Richard L. Marcucci, D.D.S.

Listed below are the names of unsanctioned bowlers reported by the secretaries on their final average sheet. I make this assumption based on the fact that I had not received an application card from any league for any bowler listed below.

These unsanctioned bowlers are illegal bowlers and every time that they bowled without sanction, their teams should have forfeited all wins---too late now! Maybe some of these bowlers were on championship teams-----

How a secretary can make a weekly posting sheet for a bowler and still not have a sanction application card made out is a mystery to me. There should be one sanction application card for every person in the league, and the posting sheet should be noted as - Pd. \$4.00 and date; Pd. \$2.00 and date; Pd. Other and date. There is a line provided for this data on the posting sheet.

I will not verify any average for any bowler herein listed unless he pays \$4.00 for last year's fees, before he enters a tournament.
